PARENTS INFORMATION SHEET

1. **CHECK-IN TIME:** 9:00 a.m. to 12:00 noon on Sunday. The first meal will be served for the campers at noon. Please allow enough time on check-in day to meet with our resident director, medical staff and counselors so we can get all the information we need about the camper to serve them in the best ways possible. Please make sure someone familiar with the camper is the person dropping him or her off.
2. **BALANCE OF TUITION is due one month prior to arrival at camp. The registration fee will be applied toward tuition. If you have paid the \$100.00 registration fee, your balance due is \$575.00.**
3. There will be no visiting day during Special Needs Week.
4. There is no need for campers to have spending money, therefore, please do not leave any money with your camper.
5. There will be no laundry service during this week. Please pack enough clothing to last a full week.
6. We request that no telephone calls be made to campers. We are happy to have staff members call parents regarding their child if you wish or you may call the counselor during the week to see how your camper is getting along, but we prefer not to call campers to the phone taking them away from their activities.
7. Mail or packages from home are welcomed.
8. Homesickness: This is an important concern for all parents and it is one that we are experienced in dealing with. If there should be an issue, we want to assure you that we will call home if it is necessary.
9. **CHECKOUT TIME:** Checkout for all campers will be from **9:00 a.m. to 12:00 noon** on Friday. It is important that all campers are checked out by 12:00 noon as we have another camp we have to get ready for.
10. **LOST AND FOUND:** Please check your camper's trunk and personal belongings carefully before going home. It is impractical for us to try to mail items home, which have been left behind. Any lost and found items will be on the white fence in front of the Cushing Center on check out day.
