

Camp Bernadette Alumnae Association

January 2017

Volume I

May, 2016. Alumnae joined current staff and families in preparing camp for the summer season. Benches were painted, chapel pews were polished. Save the date for spring cleaning 2017. Check in on Friday evening May 19 and check out on Sunday May 21, 2017. More details to follow so keep checking the CBAA fb page.

Thanks to all of the alumnae who helped at the hospitality table during check in days at camp. It was great to see how many alumnae are still involved and wonderful to see how many carry on the family tradition of summer at Bernie with their daughters. Please send a message through the CBAA fb page if you'd be interested in working next year.

CBAA NY and CBAA Boston hosted social events in the winter and spring of 2016 respectively. Everyone had a great time. Look out for more events in 2017.

Karen C Hook

April 1, 1974 – July 26, 2016

Our dear friend and sister, Karen Hook, passed away on July 26, 2016. Bernadette alumnae joined friends and family in paying their respects at memorial services and lunches in Boston and New York.

Karen grew up in Riverdale, NY with her sister, Betsy, fellow alumna, attended Bronx Science and then graduated from University of Virginia in 1996. Karen's early career choices kept her close to home, but since 2003, she had called Boston her home. Karen maintained close friendships with campers and staff from her time at Bernadette, 1985-1996. Karen, you will be forever missed.

Thank you to all of the alumnae and families who generously supported Team CBAA in the running of the Friends of Fatima 5K. Our team raised over \$800. The race was dedicated to the memory of MaryAnn French, mother of Maggie French. Please consider running, walking and/or supporting Team CBAA in 2017. Watch for details on our fb page.

Tammy Baumander, 2016 Bernie office staff, painted a beautiful watercolor of the Bernadette chapel. Many alumnae have already purchased the prints and notecards for themselves or as gifts. Follow the link below to see Tammy's wonderful rendering of a place we all hold dear.
